C. Political Role

577 596 642 To a remarkable extent, the Chinese imperial system operated by moral suasion with a minimum use of force and without a developed, codified system of law. This achievement was made possible through the state's utilization of the family as a training ground for loyalty to the state and the virtues prized by it as part of the machinery of government. The root virtue of filial piety was extolled above all others in the Confucian system. It denoted not only the obedience and devotion of the son to his father but of the younger to the elder, and of the subject to the ruler.

618 Two types of organizations built on the foundation of the family were utilized by the state in maintaing peace and uniformity throughout the empire. One was the clan, or tsu. It bound together families with a common ancestor to promote their security and advancement. Relying for strength on the maximizing and formalizing of kinship ties, the tsu reinforced the authority of the family head and the values he imparted to the younger generation. The tsu settled disputes between families, conducted ancestor rites for
